WIN is an acronym for What I Need. Math lab is a supplemental math class where students learn a variety of skills. This class is taken in addition to their grade level math class and is designed to support their success. In Math Lab, we will focus on the Common Core Mathematical Practices (listed below).

8 Mathematical Practices

1. Make sense of problems and persevere in solving them.
2. Reason abstractly and quantitatively.
3. Construct viable arguments and critique the reasoning of others.
4. Model with mathematics
5. Use appropriate tools strategically.
6. Attend to precision.
7. Look for and make use of structure.
8. Look for and express regularity in repeated reasoning

What do you need for class?

- Planner - Provided by the school
- Notebook - Provided by me
- Pencil

Grading

Students will either receive CREDIT (CR) or NO-CREDIT (NC) for the course based on their growth, effort, and participation as it relates to each practice.

++	Exceeds Expectations
+	Met Expectations
~	Approached Expectations
–	Did NOT Meet Expectations
Ab	Absent/Excused

- Students are required to meet (+) or exceed (++) expectations on 80% (or more) of their work.
- Students will be assessed on work completion and quality.

Make-Up Procedures

Students are excused from individual assignments that are given when they are reported absent from school; with the exception of larger projects that students had multiple class days to complete.

Classroom Expectations

In the classroom, we will follow the 4 B's at all times:

- Be Safe
- Be Respectful
- Be Responsible
- Be Ready to Learn

Full details of the expectations can be found on my website.

Failure to follow the expectations will result in the following:

1. Verbal Warning
2. Teacher-Student conference after class
3. Call home to parent/guardian
4. Referral to the office (If the action is severe, the referral will take place immediately)
